Business House 2013

Business House is a social competition aimed at introducing new players to the game.

How it works

Teams:

Teams consist of 3 players – at least 1 of these MUST be new to the game or a beginner

i.e: 2 players & 1 non-player OR 1 player & 2 non-players

Games:

Start at 6pm / 7pm / 8pm / 9pm
(depending on entry numbers)

Rules:

Each player has 20mins on court including warm up.

No lets but strokes are allowed for safety.

Scoring: 1 point a rally

When one player gets 10 points ahead, the score equalizes – the lower score comes up to the higher score and game continues. This allows for a more even game. Points accumulate for the team. The team with the highest points wins.

Prizegiving:

Held after the last game on Fri 31st May
